

DUO DUSK TILL DAWN LED FLOODLIGHT WITH PIR

Super Bright

Low Cost

Low energy security and courtesy lighting for the home and workplace

At night the Hylite DUO Dusk Till Dawn LED Floodlight uses just 6W of power to give a constant, bright 540 lumen light. When motion is detected, the floodlight instantly increase its light output to the equivalent of a 250W halogen light (up to 1080 lumens) while only increasing its power usage to around 12W.

The DUO floodlight uses over 90% less energy than an equivalent halogen, whilst also lasting many times longer. Its patented LED driver is housed with the PIR, away from the heat of the LEDs, extending the life of the fitting still further.

Fully Adjustable PIR Sensor with day/night or night only operation, 8-10m

- ✓ **All-in-one courtesy and security light**
Uses just 6W of power from dusk till dawn but boosts to full power (12W) when movement detected
- ✓ **Robust construction**
Die-cast aluminium fitting with toughened glass lens
- ✓ **Uses the latest high powered LEDs**
Exceptional brightness whilst minimising power usage
- ✓ **Weatherproof**
With IP44 rating
- ✓ **5 year warranty**
With a lifespan of up to 50,000 hours
- ✓ **Fully certified**
With CE, RoHS and LVD approvals and ERP compliant

Ref.	HLF125
Description	6/12W DUO LED Dusk-till-Dawn Floodlight with PIR
Colour	Black
Voltage	230V
PIR Angle	120°
PIR Range	8-10m
Activation Time	15secs-5mins
Lumens Per Watt	<90
Colour Temp	ANSI 5700K
Max LED Life (hrs)	50,000
IP Rating	44
Height (mm)	120
Width (mm)	194
Depth (mm)	226
